SENATOR KAHLE: ...members of the body, it does give me great pleasure to welcome all of those...does she want to talk?

PRESIDENT: Did you want to say a word, Mrs. Moylan? Go ahead.

SENATOR MARGARET MOYLAN: I have many happy memories of the 14 years my husband served in this Legislature and I enjoyed it, too. Thank you very much.

PRESIDENT: Thank you very much, Mrs. Moylan. Senator Martin Kahle.

SENATOR KAHLE: Thank you. Mr. President, members, it, of course, gives me great pleasure to welcome all of the former Senators back. Over the years we have learned to know those that were here before my time and I am finally beginning to realize that a lot of the former Senators served with me so that must tell me something. Maybe I am getting in the age where I probably should be a retired Senator instead of an active one. But anyhow it gives me great pleasure to introduce my guest today who served in this Legislature from '58 to '72 and attempted at that time to go on to bigger and better things, and as politics often go, we don't always win everything but Senator Wayne Ziebarth is a winner anyhow because he certainly has been active in his community and active in the South Platte Chamber of Commerce which is a unique organization to say the least and he certainly has been a worker in his community and taken part in many of the things that make Nebraska better. I would like to introduce Senator Wayne Ziebarth.

PRESIDENT: Senator Ron Withem passed. Senator Howard Lamb.

SENATOR LAMB: Mr. President, members, many of you will remember my immediate predecessor was Senator Otho Kime from Valentine. Unfortunately Senator Kime could not be here. However, his immediate predecessor was Senator Jim Waldron from Callaway and he served eight years just before Senator Kime sitting right back here. Senator Waldron.
